

It's Warming up! That means it is time for us to start mowing the lawn. The deacons are currently looking for volunteers who may be able to mow the lawn one or two times over the course of the spring summer and fall. Please let one of the deacons know if you would like to assist.

In addition, we are in need of a lawnmower. If anyone has, or knows someone who has a lawnmower they would be willing to donate please let one of the deacons know.
